

A: One of the answers given by the OP is exactly the cause of this question being on hold. So the question being in a bad position, the question can be put on hold to prevent future occurrences. If you feel that the question is now out of focus and worth editing, I'd suggest that you post a suggestion to have it re-opened. If, however, the question is edited to be better, I'd suggest that you answer it to help the author and to answer for future users. The question about paper books is on hold as a duplicate of a question about eBooks because the questions are effectively the same. I'm inclined to agree that the question is worth reopening and am leaving this answer below as a place to vote. Thomas L.
